

Hospice Giving Foundation presents:

FULFILLMENT WORKSHOP

This complimentary workshop is open to all of those who have attended the "Personal Part of Planning for End-of-life Small Group Workshop."

If you would like assistance in completing some of the tasks (Advance Health Care Directive, letters to loved ones, writing your own obituary, planning your own funeral/celebration of life, Notes to My Family, etc.) in order to feel "fulfilled" in your end-of-life plans.

Facilitator's Shary Farr and Fred Jealous will also explore the emotional and spiritual experiences which making these plans may create in all of us.

We hope you will join us!
