

A PALLIATIVE CARE GRAND ROUNDS

Global Palliative Care Development: A Progress Report

Wednesday, July 10, 2019
5:30 pm - 7:30 pm
SVMHS Ryan Ranch Center
Conference Room
5 Lower Ragsdale Dr. Monterey, CA

Registration is required | Dinner provided

hospicegiving.org/event/pcgr2019 or 831.333.9023

Learning Objectives:

- Worldwide over 60 million patients and families need palliative care each year and 80% live in a low or middle-income country,
- While palliative care is growing globally, less than 10% of the need is being met and that mainly in high income countries,
- In this session, we will examine the status of palliative care worldwide using a public health model focusing on policy, medicine, education, and implementation.

Educational Credits
