WHAT MATTERS MOST TO YOU?

Take the phone-based survey to record your opinions and preferences for end of life. Live results will be streamed throughout the day.

GETTING STARTED

Stop by to explore tip sheets, review a sample copy of Notes to My Family, peruse a library of books, and get information about upcoming workshops.

PLANNING FOR YOUR CARE

Trained experts and volunteers will guide you through the Advance Health Care Directive 'Prepare for your Care' document and encourage you to 'Take the Pledge' to make your plans.

THE DOCTORS ARE IN

Talk with local hospice and palliative care physicians/clinicians about end of life or serious illness care, understand terms and learn how to be your own best advocate with your doctor!

COMMUNITY ROUNDTABLES - WORLD CAFE

Creative and lively facilitated discussions about wishes, expectations, and attitudes about end of life.

COMMUNITY ROUNDTABLES - GO WISH CARD GAME

Play this simple game to help define what's most important to you at end of life.

CREATE MEMORIES

Create a photo 'Memory for a Loved One' and receive an inspiring HOPEGives photo sleeve about remembering. Here you can also find a 'love letter' template and tips for intergenerational storytelling.

READING LIBRARY

Explore a comprehensive selection of books about planning and end of life and pick up a reading list.

FAMILY CORNER

Learn ways to help your children and family talk about loss, dying, and grief through crafts, book reading, and conversation starter worksheets. Help create a "Community Remembrance Wreath".

THE PARTY

Learn about HG Foundation's major fundraising event, *the Party*.
