Advance Care Planning Workshop

Movie Screening - Tues. Feb 18 @ 2pm

Workshop - Tues. Feb 25 @ 2pm

Join us for a two day workshop on advance care planning

Madonna Gardens will be hosting a two part workshop on preparing advance health care directives and how they can help organize the personal, medical and financial aspects of end of life planning.

Part one (movie screening) will include a screening of *Being Mortal*, a film based on the bestselling book of the same name, followed by a discussion lead by Philip Geiger of the Hospice Giving Foundation and Meggie Pina from Alliance on Aging.

Part two (workshop) will cover the creation of advance health care directives, as well as organizing other financial and personal aspects of end of life planning.

To RSVP or for more information, contact Community Relations Director, Laura Ruggieri at lruggieri@carefieldliving.com or 831-758-0931
