## Go Wish Card Game

An easy, entertaining way to talk about what's most important to you.

Presented by Meggie Pina, Ombudsman Program Manager and Philip Geiger, Director of Outreach for Hospice Giving Foundation

This card game helps you find the words to talk about what is important if you were to be living a life that may be shortened by serious illness. Playing the game can help you learn how you can most comfort your loved ones when they need you most. Join us at The Park Lane for a game and to learn how to share it with others.
