

StoryCorps Legacy: Amplifying the Voices of Our Community

*A multimedia, virtual workshop.
Learn to share stories and create
a culture of listening, empathy
and compassion.*

Thursday, October 29, 2020

9:00 am to 11:30 am – StoryCorps Workshop

Via Zoom: All participants must have video and sound enabled technology.

Advance registration required.
Limited to two individuals per organization.

Register by October 22, 2020
hospicegiving.org/storycorpsoct20

WHO SHOULD ATTEND?

Clinicians, clergy, program staff, and community volunteers working with families and patients facing serious illness or end of life.

WHAT TO EXPECT:

- StoryCorps staff will discuss storytelling and reminiscence as a means of engaging community
- Understand the StoryCorps model; best practices for interviewing and facilitating conversations
- Learn about free resources including the StoryCorps easy-to-use App and StoryCorps Connect
- Be inspired by recorded stories of healthcare professionals and patients

PRESENTER BIO

Perri Chinalai is the Director of StoryCorps Community Training Department. She has created and implemented trainings to help staff and volunteers from healthcare institutions and bereavement centers record, preserve and share the stories of people of all ages with serious illness and children in grief.

This workshop and local recording sessions are made possible by a grant from **Hospice Giving Foundation**.

In 2010—understanding the importance of storytelling for people with serious illness at critical stages in their lives—**StoryCorps** launched **Legacy**. Since then, **Legacy** has partnered with numerous healthcare organizations across the county, to provide the **StoryCorps** experience to patients, families and caregivers.

For more information call 831.333.9023 or visit **hospicegiving.org**.
