

NATIONAL HEALTHCARE DECISIONS DAY • APRIL 16, 2021

Hospice Giving Foundation along with national, state, and community organizations are highlighting the importance of advance health care decision-making on April 16, by recognizing National Healthcare Decisions Day.

GAIN PEACE OF MIND FOR YOURSELF AND YOUR LOVED ONES BY:

Completing an advance health care directive and choosing a health care agent/power of attorney.

Having "The Conversation." Talking with your loved ones before a medical crisis happens, gives everyone a shared understanding about what matters most to you at the end of life.

Using the *Notes to My Family* organizing tool to help you compile important personal, health, and financial information in one convenient place.
